

# Manufacturing

The amount of effort it takes to find and hire employees who have essential **technical, computer and problem-solving skills** can be frustrating, especially in today's tight manufacturing labor market.

The good news is you don't have to face this challenge alone. Whether you're looking for skilled technicians or general laborers, CPS Recruitment can help.

As a staffing industry leader, CPS Recruitment provides clients with **quick delivery of qualified candidates**. How do we do it? We start by learning your company culture, long-term goals and core competencies. This enables us to **customize our search** to ensure you're getting the workforce you need to achieve a competitive edge.

CPS Recruitment **handles your specific pre-employment needs**, including:

- Sourcing
- Interviewing
- Safety Awareness
- Skills Assessments (in multiple languages)
- Drug Screenings
- Background Checks
- New Hire Orientation
- Onboarding

What does this mean for our clients? Faster turnaround providing higher quality candidates, **saving you time and money!**

CPS Recruitment is your provider of choice for:

- Temporary
- Temp-to-Hire
- Direct Hire
- Incremental Billing
- Payroll Transfer
